WENDELL SUAZO

FULL STACK WEB DEVELOPER

PROFILE SUMMARY

I've been practicing and honing my skills in different programming languages such as javascript, php and mysql. As well as different web frameworks/tools/plugins like laravel, bootstrap, jquery, and SASS. I am trying to dive as deep as I can to these web technologies to use it's full potential.

I am also doing freelance work that helps me earn at the same time learn by experience.

I can do frontend and backend to develop different applications for both professional and personal use.
